

Nebraska User Group

Conference Date:
Workshop Date:
Conference Location:

Tuesday, March 24, 2009
Wednesday, March 25, 2009
The Cornhusker
A MARRIOTT HOTEL

The Nebraska User Group Committee are looking for one new member. If you think you may be interested in volunteering, please read on.

As we plan for the sixth Nebraska User Group Conference, committee member Frank Larson has decided to retire from his role. You may still run across Frank from time-to-time, as he is greatly involved with the local GIS User Group

If you have any interest in becoming a board member, please contact me at lotte@lincoln.ne.gov

Sincerely,

Mike Otte
City of Lincoln – Engineering Services

Executive Assistant

- a. Arrange for the use of conference facilities and act as liaison with the facility coordinator.
- b. Be responsible for booking facilities at least one year in advance of each conference.
- c. Be responsible for coordinating equipment needs for conference and workshops.
- d. Be responsible for coordinating systems and software requirements for conference/workshops.
- e. Be responsible for restoring computer labs to original condition.
- f. Provide input for topics of interest for conference/workshops.
- g. Make speaker requests and act as contact person with that speaker.
- h. Perform those duties the chairperson deems necessary.
