

Lewis & Clark Sign Locations

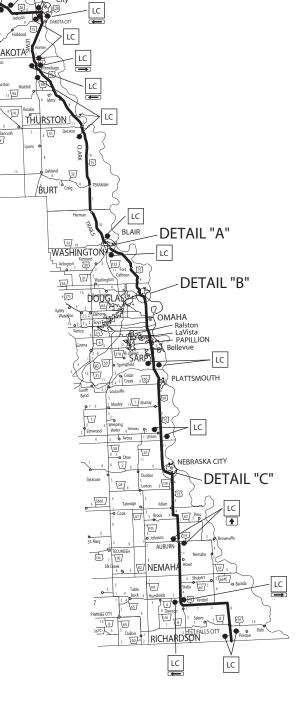

Fifty permanant signs have already been erected. (The goal was to complete installations by Spring of 2003.)

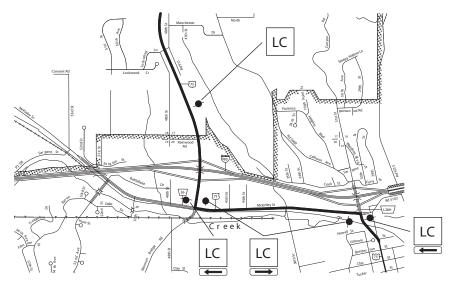

They are located along Highways 73, 75, 75/77, 20, 12, and 281.

Nebraska Department of Roads owns and maintains the signs.

Approximate cost for materials and installation was \$130.00 each.

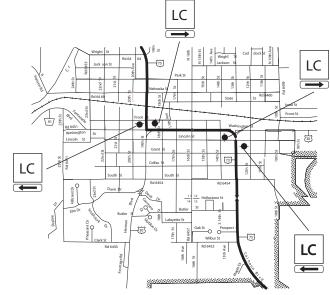

There was no special funding for this project.
