- ◆ Solicitation of voluntary donations is prohibited.

A pleasant respite awaits travelers along I-80 across Nebraska when they take the time to relax and unwind at any of the State's 25 Interstate rest areas. These areas are well maintained and offer a variety of features, including:

- ◆ Convenient locations. The rest areas are approximately 34 miles apart.
 - ◆ Full toilet facilities with hot and cold water. Many rest areas have been updated with new sanitary treatment facilities and new rest area buildings to keep up with the increased demand.
 - ◆ Drinking fountains.
 - ◆ Public pay telephones.
 - ◆ Designated pet exercise areas.
 - ◆ Picnic shelters and tables.
 - ◆ Area lighted at night.
 - ◆ Nebraska real time weather, road condition and detour information.
 - ◆ Handicapped-accessible facilities.
 - ◆ Vending machines available for soft drinks and snacks.
 - ◆ Historical information plaques located at most areas.
 - ◆ Tourist information. While times and locations may vary from year to year, travel guide stations are usually available from June through August at many rest areas. Guides are available with information about local attractions and services. Personnel are provided by the Travel and Tourism Division, Nebraska Department of Economic Development.
- Travelers through Nebraska are encouraged to take advantage of the rest area amenities offered for their benefit and convenience.
