

A Message from the Governor

I am honored to serve as the thirty-ninth Governor of the State of Nebraska.

With 10,000 miles of state highways and 86,000 miles of county and city roadways connecting each of our communities, we cannot fail to keep up with the ever-increasing need for safe travel. The Nebraska Department of Roads continues to make tremendous strides in the design, operation and maintenance of our highways and bridges that help keep our economy on the move.

We must preserve and improve our infrastructure and continue to provide a safe, efficient transportation system. With hard work, collaboration and coordination, the investments we make today will pay dividends for future generations of residents and visitors to our great State.

I would like to remind all of our travelers that no road is safe unless drivers commit to following the rules of the road. Please buckle up, stay alert and respect those in highway work zones in order to help ensure you arrive safely at your destination.

A handwritten signature in black ink that reads "Dave Heineman". The signature is written in a cursive, flowing style with a large initial "D" and "H".
