On page 78 of the Special Provisions, the provision titled INSTALL CONCRETE PROTECTION BARRIERS is amended to include the following:

The contractor shall exercise care in handling the concrete protection barriers. Barriers that are damaged beyond normal wear (in the opinion of the Engineer) due to contractor mishandling shall be either replaced by the contractor or the contractor shall be assessed a charge of \$500 per damaged barrier.

* * * * *

On page 95 of the Special Provisions, the provision titled MAINTENANCE OF LIGHTING UNITS is amended as follows:

1. The first sentence of the second paragraph is amended to read:

If, for any reason, a lighting unit fails or is “knocked down”, it shall be repaired or replaced within two days, weather permitting as directed by the Engineer, from the time the Contractor is advised of the failure.

2. In the fourth paragraph, the liquidated damage assessment of “\$500 per calendar day” is amended to read “\$250 per calendar day”.

DEPARTMENT OF ROADS

Claude Oie
Construction Engineer

Issued: October 31, 2002
