ADDENDUM NO.	CALL ORDER	PROJECT NO.	CONTROL NO.	LOCATION
1	300	RD-81-3(1041)	31701	US-81, COLUMBUS – NORFOLK
1	615	IM-80-3(137)	61411	I-80, SUTHERLAND - HERSHEY
1	620	IM-80-3(142)	61411A	I-80, DARR TO OVERTON

In the provision titled **DIAMOND GRINDING AND TEXTURTING CONCRETE PAVEMENT**, the DIAMOND GRINDINGS section is amended to include the following:

The slurry or residue resulting from the grinding operations shall be discharged onto the shoulder foreslope at the ground surface level.

The slurry or residue resulting from the grinding operations shall not be discharged into streams or drainage ways or onto the shoulder foreslope in such a manner that results in the residue flowing into streams or drainage ways.

The slurry or residue resulting from the grinding operations shall be collected when the grinding operations are performed within the municipal limits of any Village or City, or when grinding pavement having curbs and gutters. This collected slurry or residue shall be disposed of in accordance with all current regulations at no additional cost to the Department.
