FOR IMMEDIATE RELEASE

## Rumble Safety Strips Installed on US-75

Rumble strip installation has begun on Highway 75 in southeast Nebraska, according to the Nebraska Department of Roads.

The contractor, Garcia – Chicoine, Inc. of Lincoln, will be installing rumble strips on Highway 75, from Auburn to the Highway 34 – Highway 75 junction.

Work is anticipated to be completed in June.

Traffic will be maintained with temporary traffic controls in the work zones. Motorists are urged to drive carefully in work zones and watch for warning and directional signs, and plan for temporary delays.

The Roads Department manager for this project is Joe Kuehn of Lincoln.
