

714.00 **CULVERTS** (*SSHC Sections 717 to 726*)

714.01 **GENERAL**

- A. The backfill near a pipe or box culvert is more expensive than excavation in the surrounding area. Therefore, in the *SSHC Subsection 702.03*, limits are placed on the quantities “Excavation for Box Culvert” and “Excavation for Pipe, Pipe-Arch Culverts, and Headwalls.”
