Welcome to the Nebraska Department of Roads' Services Directory

The Nebraska Department of Roads is dedicated to providing quality service to its customers — the citizens of Nebraska. Our mission is to provide and maintain, in cooperation with public and private organizations, a safe, reliable, affordable, environmentally compatible and coordinated statewide transportation system for the movement of people and goods.

We are pleased to present this directory of our key services and the appropriate contact offices, for your referencing needs. We hope it will be helpful to you. We are always interested in improvements and would welcome suggestions for this directory. Please call the Communication Division Office with your comments at (402) 479-4512, or send them to:
